Dear Editor,

Please find the enclosed revised manuscript "*Goodness-of-fit Tests for Partial Functional Linear Model with Errors in Scalar Covariates*" (JSPI-D-22-00113) that we revised for possible publication in *Journal of Statistical Planning and Inference*.

According to your letter on November 10, 2022, we re-submit our revised paper this time, with a detailed reply to the report of Referee # 2.

We are grateful to be given an opportunity to revise our work. We have tried our best to take into account the comments of Referee # 2 in this revision. Please find our point-by-point responses to the comments and suggestions in this submission. We hope you will find the revision satisfactory.

Thank you for your consideration. We look forward to hearing from you.

Sincerely,

Zhihua Sun
